THE SPIRIT OF NICARAGUA WITH A PERUVIAN TWIST

This cigar blends the slightly citrus taste of a high Peruvian priming (ligero) together with fillers grown, fermented and aged by the ORTEZ family in the Jalapa and Condega valleys. This combination strikes the perfect balance between smooth, sweet and sour flavors that continuously evolve during the smoking experience.

The exquisite LAMPERT 1675 Edición AZUL should be smoked slowly to allow each of the tobaccos to reveal all of their unique flavors and qualities.

It is a medium strength cigar but rich in flavor, ready to be enjoyed 90% on the palate and 10% through retrohale for a mind-blowing experience.

Cigars will be available in three different shapes in boxes of twenty.
