FOR IMMEDIATE RELEASE

LAMPERT CIGARS MAKES U.S. DEBUT

LAMPERT CIGARS will be distributed by The Bespoke Company. The facilitation is by Illusione warehouse in Reno, Nevada.

[LAMPERT LLC](#) enters with its LAMPERT 1675 Edición AZUL the US market through its appointed distributor The Bespoke Company.

LAMPERT 1675 Edición AZUL is an extraordinary creation by Fábrica AGROTABACOS, Nicaragua. This edition was blended by [Indiana Ortez](#), the youngest of the Ortez family, daughter of tobacco industry heavyweight Omar Ortez. This cigar offers rich, nuanced flavors that constantly evolve throughout the smoking experience.

This cigar blends the slightly citrus taste of a high Peruvian priming (ligero) together with fillers grown, fermented and aged by the ORTEZ family in the Jalapa and Condega valleys. This combination strikes the perfect balance between smooth, sweet and sour flavors that continuously evolve during the smoking experience.

Cigars will be available in three different shapes (Short Robusto, Robusto and Toro) in boxes of twenty.

LAMPERT CIGARS was established in 2019 and is considered as boutique cigar brand. LAMPERT CIGARS is proud of unwavering commitment to quality cigars. LAMPERTS CIGARS is dedicated to providing a large array of premium handmade cigar options to suit every aficionado's tastes.
