FOR IMMEDIATE RELEASE

## LAMPERT CIGARS EDICION BLANCA

### Pre-release of the Edición Blanca through Small Batch Cigar

[Small Batch Cigar](#) customers will have a chance to experience the new LAMPERT 1593 EDICION BLANCA – as a pre-release – before it gets a nationwide release at next year.

*“We have had a wonderful relationship with the Maxamar/Small Batch team and wanted to treat their customers to a sneak peek of sorts. We have finalized the blend after last year’s PCA and the cigars have been put into production shortly after, so they have had plenty of time to rest before release.”*, said Dr. Stefan Lampert, founder of LAMPERT CIGARS.

*“We like finding new brands and exposing them to our loyal customers, over the years we enjoyed working closely with Vlada and now Stefan, we look forward to the pre-release of the Blanca line.”* said Andrew Considine of Maxamar/Small Batch Cigar.

While the **LAMPERT 1675** Azul and Rojo lines are made in Nicaragua, the **LAMPERT 1593** is made in the Dominican Republic.

The LAMPERT 1593 EDICION BLANCA was made by [Edgar Julián Sued](#). The Edicion Blanca uses a two-year-old Ecuadorian Habano wrapper and with a three-year Dominican binder and a three- and five-year-old fillers.

Cigars will be available in the US in toro shape (6 x 52) in boxes of ten and will have an MSRP of \$15, whereas in Europe (Switzerland and [Sweden](#)) the Edición Blanca will be available in Short Robusto shape (3 ¾ x 52) in boxes/bundles of ten.
