FOR IMMEDIATE RELEASE

## LAMPERT 1675 EDICION MORADO

LAMPERT CIGARS will be unveiling its newest line – Edición MORADO and it has started shipping to select shops. The widespread release is expected in mid-April.

LAMPERT 1675 EDICION MORADO is a full-bodied, full flavor cigar specifically blended to Stefan’s specifications embodying the complex, delicious and rich flavor experience he was searching for in a maduro cigar.

The new line uses a Mexican San Andres wrapper and underneath a Nicaraguan binder and filler which were grown, fermented, then aged for four years by the Ortez family in the Jalapa and Condega valleys.

Like the Edición AZUL and ROJO, the Edición Morado is produced by Fábrica AGROTABACOS, Nicaragua.

The Edición MORADO will initially be available in Robusto (MSRP 14\$) and Toro (MSRP 15\$) sizes in the US. The Short Robusto will be added later in the year.
