FOR IMMEDIATE RELEASE

## **LAMPERT CIGARS releases the LIMITADA 2023 at PCA 2024**

The Lampert Limitada 2023 is a 6 ½ x 56 toro gordo that uses an Ecuadorian criollo 98 wrapper over an Ecuadorian habano 2000 binder and fillers from Brazil, the Dominican Republic, Nicaragua and Peru. The cigars were rolled in 2023; hence the Lampert Limitada has an additional band with 2023 embossed.

A select number of stores will receive a soft launch of the new release in the coming weeks, while it will get a full launch at the 2024 PCA Convention & Trade Show in March.

The Lampert Limitada 2023 is produced at Tabacos de Costa Rica.

The 2024 PCA Convention & Trade Show takes place March 23-25 in Las Vegas. LAMPERT CIGARS invites all retailers to visit their booth #17036.

The Lampert Limitada 2023 will be available in 10 CT cabinet boxes and has a MSRP of \$16. In the U.S., just 450 boxes of 10 cigars will be available.
